COMMERCIAL AIR TRAVEL

Please have your child leave their Walkman, Gameboy, *etc.* at home. These devices tend to encourage children to “tune out” rather than interact with their peers. Also, please DO NOT allow your child to bring a cellular phone or other handheld communication device with them to camp. These are not appropriate during the camp session. On the plane ride, we suggest they bring a book to occupy their time or a headset to listen to the music or movie offered on the flight.

Kieve or Wavus Staff will meet campers at the following airports on opening day:

- **Portland, Maine** (Approximately 60 miles away)
- **Manchester, New Hampshire** (Approximately 150 miles away)
- **Boston, Massachusetts** (Approximately 180 miles away)

Please **try to schedule** your child try to arrive at the **Portland** Airport *between 9 am and 4 p.m.* or **Boston or Manchester** Airports *between noon and 3:30 p.m.* if possible. We understand that flights from the west coast and Europe will most likely be a little later. The Portland, Maine airport is the closest, easiest airport for us.

It is easier to spot your child if they are wearing a **Kieve or Wavus t-shirt or hat!** Members of our Kieve or Wavus Staff, wearing a Kieve or Wavus Shirt, will meet your child at either the gate or baggage claims.

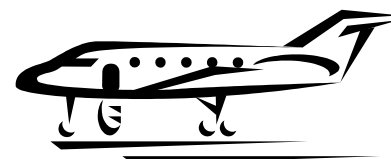

If your child is escorted by the airline (unaccompanied minor), you will be notified, via email, a couple of days before their flight with the name of the counselor that will be picking them up. **If the airline requires a name prior to that time, have them use Faye Benson for Kieve and Deb Suchar for Wavus and let them know that it will change.** If there are **any changes** in your child’s travel schedule, **please call Faye at Kieve 207-563-5172 ext 10 or e-mail her at boyscamp@kieve.org or for Wavus, please call the Wavus office at 207-549-5719.**

If your child will be returning home by air after camp on Saturday, we can take them to Portland, Boston or Manchester airports. Please try to schedule flight out of **Portland** *from 10 a.m. on (1-hour ride to airport)* and from **Boston or Manchester** *from 12 noon on (3-hour ride to airport).* The cost of ground transportation from the airport to Kieve or Wavus is pro-rated and will be billed to you at the end of camp.
