

## Kieve–Wavus Bus Travel Instructions 2010

**Kieve-Wavus will provide transportation to camp on Opening Day at a pro-rated cost per camper from the following locations and times below.** The chartered buses say “Cyr Bus Lines” on the side. Depending on our numbers, we may use vans for the Boston area boys. Henry Kennedy will chaperone for Kieve and a Wavus staff person will chaperone for Wavus for the First and Second Session pick-ups. Other staff members will handle the Introductory Sessions and we will be using 17-passenger vans for those pick-ups. If your child is coming on the bus, please provide a lunch (if they are on one of the earlier stops) and a few dollars (or coins for the soda machine) for incidentals along the way.

Please have your child leave their Walkman, Gameboy, *etc.* at home. These devices tend to encourage children to “tune out” rather than interact with their peers. Also, please DO NOT allow your child to bring a cellular phone or other handheld communication device with them to camp. These are not appropriate during the camp session. On the bus ride there are movies and hilarious Camp Directors to keep them occupied on the way to camp. We need the room on the bus for campers and since space is very limited under the bus, please be sure to mail all luggage ahead (otherwise we would need an additional bus for just the luggage).

The following are the bus **departure** times from each stop ~ please arrive **at least 15 minutes ahead of time.**
